

**Submitting SAP STAR Assessment  
output and want to check  
numbers internally first?**

**Here's how!**

1. Implement SAP Note 3113382.
2. Select **Export** instead of **Export to SAP**.
3. Execute transaction code **SA38**.
4. Select report **SLIM\_USER\_CLF\_HELP**.
5. Upload previous execution.
6. Export overall license quantity URL.
